AFFIDAVIT

1. I, Tyler Stengele, a Special Agent with the Air Force Office of Special Investigations (AFOSI), Detachment 201, Joint Base Langley-Eustis, VA, being duly sworn, depose and state as follows:

2. I am a Special Agent with the United States Air Force Office of Special Investigations, and I am currently assigned to Joint Base Langley-Eustis, VA. I graduated Cum Laude from Embry-Riddle Aeronautical University with a Bachelor's of Science in Homeland Security. I received training to be a Special Agent through the Criminal Investigator Training Program (CITP) and through the United States Air Force Special Investigations Academy (USAFSIA) located at the Federal Law Enforcement Training Center (FLETC), Glynco, GA.

3. This affidavit is prepared in support of issuance of an arrest warrant for GREGORY KIETH FORTUNE-PRIOR, for an alleged violation of 18 USC § 113(a)(4), assault by striking, beating or wounding. FORTUNE-PRIOR assaulted ALYSON TAYLOR SILIDKER at her residence located on Langley AFB, on 6 Feb 19.

4. An interview with SILIDKER revealed the following information: SILIDKER came home from work on 6 Feb 19 between approximately 1930 and 2000 hours. FORTUNE-PRIOR, the father of SILIDKER's child, was at the home drinking alcohol and playing video games. At approximately 2130, FORTUNE-PRIOR came down stairs and start yelling at SILIDKER, because she had turned on music causing his music to stop playing upstairs. The yelling continued for approximately five minutes. SILIDKER went upstairs to FORTUNE-PRIOR's room to speak with him. FORTUNE-PRIOR pushed the bedroom door shut while SILIDKER pushed the door open. SILIDKER got the door open and FORTUNE-PRIOR immediately used his right arm and grabbed SILIDKER by the neck and threw her toward the bed, which caused SILIDKER to fall chest down on the bed. SILIDKER got up off the bed, went to FORTUNE-PRIOR, said "don't put your hands on me" and slapped FORTUNE-PRIOR with an open hand on his left side of his face. FORTUNE-PRIOR used his open right hand to strike SILIDKER in the face/nose.

SILIDKER felt a cold sensation running down inside her nose and noted she started bleeding from her nose. FORTUNE-PRIOR grabbed SILIDKER all the way around the neck with both his hands and pushed SILIDKER backwards by the neck down the hallway. SILIDKER tried to pry FORTUNE-PRIOR's hands away but was unsuccessful. SILIDKER felt her legs begin to give way from underneath her. FORTUNE-PRIOR let go of SILIDKER's neck and SILIDKER collapsed onto her hands and knees at the top of the stairs. SILIDKER felt lightheaded and gasped for air. FORTUNE-PRIOR kicked SILIDKER on the left side of her abdomen area multiple times, while wearing Timberland brand boots. FORTUNE-PRIOR went into his room and SILIDKER went downstairs and grabbed her son, her car keys, and her phone, and went outside to her car where she called a friend and the Base Defense Operations Center (BDOC).

5. After SILIDKER spoke to BDOC, she realized she did not have her Common Access Card (CAC) or her credit cards. She got her son out of the car and went into the kitchen. SILIDKER and FORTUNE-PRIOR spoke in the kitchen area for approximately five minutes, when FORTUNE-PRIOR repeatedly told SILIDKER to go upstairs. FORTUNE-PRIOR took SILIDKER's phone and went upstairs. SILIDKER picked up her son and followed FORTUNE-PRIOR upstairs in order to make it look like she was doing what FORTUNE-PRIOR wanted her to. FORTUNE-PRIOR gave SILIDKER her phone back and proceeded to his room. SILIDKER began to go down the stairs when FORTUNE-PRIOR hit SILIDKER with an open hand on the left side of the face pushing SILIDKER into the wall. SILIDKER put her son down when FORTUNE-PRIOR grabbed SILIDKER's neck all the way around with both hands and strangled her. SILIDKER recalled gasping and feeling lightheaded. SILIDKER rushed down the stairs with FORTUNE-PRIOR rushing after her. At the first landing on the staircase, SILIDKER felt the bottom of FORTUNE-PRIOR's foot as he kicked her back. SILIDKER saw FORTUNE-PRIOR coming down the stairs and got up, started walking backwards toward the couch stating she was trying to get her son a snack. SILIDKER did not recall exactly when, but she picked up her son. FORTUNE-PRIOR was angry and stated she was trying to call someone or leave. FORTUNE-PRIOR pushed SILIDKER toward the couch and started hitting her with his hand on the left side of her face. SILIDKER dropped her son onto the couch and covered him with her arms and body to prevent him from getting hit. SILIDKER tried to grab her phone

but FORTUNE-PRIOR grabbed the phone and threw it across the back of the room. SILIDKER rushed to her phone while FORTUNE-PRIOR went toward the kitchen, grabbed SILIDKER's car keys and exited SILIDKER's house. Upon leaving SILIDKER's house FORTUNE-PRIOR left Langley AFB and parked SILIDKER's car at the overflow parking located outside the Armistead gate where he subsequently entered his own vehicle and left. SILIDKER's vehicle was later found in the overflow parking lot.

6. On 8 Feb 19, SA STENGELE and SA JENNY SHELTON, AFOSI Det 201, JBLE, VA, documented SILIDKER's injuries over a time period of approximately eight days which displayed bruises on her left eye, right arm, right shin, and right hip.

7. On 12 Mar 19, SA STENGELE reviewed text messages SILIDKER received from multiple Facebook profiles included the following: a message from "KEITH FORTUNE-PRIOR" through the Facebook messenger application which stated "either answer while you can get the rest of the money or I will just use that money to get you killed. I told you it was emergency dumb bitch. Be smart. Stop being an asshole." SILIDKER received another message from "GREGORY" which stated "I'm going to kill you. That's the best solution for you. Idec any more. I would be doing our son and the world a favor by killing you You are a bitch. You need to die. Give me my money back or die. I told you it was a fucking emergency. and that I was suicidal." SILIDKER replied "No. You need to give me my money back!" "GREGORY" replied, "You don't care and you need to die for this". SILIDKER replied "And now you're blocked".

8. Based upon the foregoing information, a violation notice was issued for the assault upon SILIDKER. AFOSI agents attempted to serve FORTUNE-PRIOR the violation notice at his last known address, but we were unable to do so despite repeated attempts. FORTUNE-PRIOR is believed to be in the area, although his exact whereabouts are unknown.
